*Staff band together to raise funds to help thousands with Cerebral Palsy to reach their goals*

*BRISBANE, Australia — 11 October 2007 —* Data#3 Limited [ASX: DTL], a national information and communications technology (ICT) company, today confirmed the date for the first and only performance of the "D Troop" reunion world tour.

The "D Troop", a band of corporate rockers drawn from across Data#3, will perform at the Conrad Treasury Boardroom Blitz music event. The concert, raising funds for the Cerebral Palsy League of Queensland, is set to draw over 1,000 concert goers to the Brisbane Entertainment Centre on Saturday 13 October 2007.

"The challenge to play in this event was too good to resist. Hopefully the concert goers will appreciate our version of business rock and really enjoy the night." said Michael Bowser, Data#3's Queensland Manager, and the band's rhythm guitarist.

"Whilst the concert will be a lot of fun, there is a more serious side to the Boardroom Blitz event. We are raising funds to support the great work of the Cerebral Palsy League of Queensland, who assist those with Cerebral Palsy to reach their goals in life."

Tickets for the Conrad Treasury Boardroom Blitz are on sale through Ticketek, or to make a table reservation, phone 1800 819 086.

Photographs of the "D Troop" in action at the Boardroom Blitz will be made available after the event.
