FOR IMMEDIATE RELEASE**Data#3 recognised at 2014 Microsoft Worldwide Partner of the Year Awards**

July, 18, 2014; Brisbane, Australia: Data#3 Limited, one of Australia's leading business technology solutions companies, today announced it has been selected as one of four finalists worldwide for the Microsoft Devices and Deployment Partner of the Year Award.

The Worldwide Partner of the Year Awards recognises Microsoft partners that have developed and delivered exceptional Microsoft-based solutions during the past year.

Data#3 Group General Manager, Laurence Baynham said that the company is delighted to be acknowledged in this award category.

"To be selected as a finalist is an honour granted to a select few leading organisations worldwide.

"We were successful in winning this award last year and it is pleasing to see that the team have been recognised for their ongoing strength and capability in this area. To be acknowledged as a finalist in 2014 is testament to our continued commitment in helping customers with their desktop environment migration." commented Baynham.

Awards were presented in multiple categories, with winners chosen from a set of nearly 3,000 entrants worldwide.

The Devices and Deployment Partner of the Year Award recognises a partner serving enterprise, midmarket and small businesses with proven expertise in helping customers migrate desktop environments to a modern, flexible environment.
