

Data#3 performance continues to strengthen

FY16 NPAT expected to be between \$13.0 and \$13.5 million, an increase of approximately 25% on the previous year's \$10.6 million

BRISBANE, Monday 25 July 2016: Australian business technology solutions leader Data#3 Limited (ASX: DTL) has advised that, subject to confirmation of the Discovery Technology result (62% owned by Data#3) and the Data#3 group final year-end audit, the consolidated net profit after tax (NPAT) for the 2016 financial year (FY16) is expected to be in the \$13.0 to \$13.5 million range, representing growth of approximately 25% compared to FY15's NPAT of \$10.6 million.

This pre-audit estimate represents strong performance by the core Data#3 business and solid growth in services.

The board intends to announce the audited full year results and the final dividend on 22 August 2016.
