

Data#3 Scores Hat-Trick at Cisco Awards

March, 07, 2018; Brisbane, Australia: Leading Australian technology provider, Data#3, is delighted to announce that it has received three Cisco partner awards for 2018; Services Partner of the Year, Hyperflex Partner of the Year and Software Partner of the Year.

The company received the accolades for demonstrating growth, technical excellence and innovation - ultimately creating exceptional business outcomes for customers leveraging Cisco solutions.

Data#3 was the only partner to take home three awards at the ceremony, which took place in Melbourne at Cisco Live, and honoured top performing partners across Australia and New Zealand.

The company's success did not stop there - it was also a finalist in the Security Partner of the Year and Customer Success Partner of the Year award categories.

Brad Colledge, Executive General Manager at Data#3, commented, "What an outstanding achievement to have five podium appearances, with three gold and two silver awards. I'm humbled to accept these accolades on behalf of the team. The strength of our partnership with Cisco plays a pivotal role in our overall success. Together we help customers to truly transform their businesses in an age of technical innovation."

Data#3 is one of a few select companies to have achieved a Cisco Master Partner accreditation for demonstrating customer success through advanced technology.
