

## Data#3 expects to report a record full year result

**FY19 group NPBT estimate approximately \$26 million**

**FY19 group NPAT estimate approximately \$18 million**

**BRISBANE, Thursday 11 July 2019:** Australian business technology solutions leader Data#3 Limited (ASX: DTL) has advised that, subject to finalisation of the Discovery Technology Pty Ltd result (77.4% owned by Data#3), and the Data#3 group year-end audit, the consolidated net profit before tax for the 2019 financial year (FY19) is estimated to be approximately \$26 million (FY18 \$20.4 million & FY17 \$22.4 million).

The consolidated FY19 net profit after tax (NPAT) excluding non-controlling interests is estimated to be approximately \$18 million, an increase of around 28% compared to FY18, and approximately 17% ahead of the previous record FY17 result.

This pre-audit estimate reflects a strong performance in a growing technology market.

The board intends to announce the audited full year results and the final dividend on 21 August 2019.
