

Data#3 expects to report strong 1H earnings growth

First half pre-tax profit estimate of approximately \$12.5M, up from \$9.0M in the PCP

BRISBANE, Tuesday 21 January 2020: Australian business technology solutions leader Data#3 Limited (ASX: DTL) has advised that the consolidated net profit before tax (NPBT) for the first half of the 2020 financial year is expected to be at the top end of the guidance provided at the AGM in November 2019, which was a range of \$11.0 to \$12.5 million.

Subject to finalizing the interim accounts and the audit review, the first half NPBT is expected to be approximately \$12.5 million.

The board intends to announce the audited interim results and interim dividend on 19 February 2020.

Approved for distribution by Mr Richard Anderson, Chairman.
