

Data#3 JuicelT Event Announcement

March 6, 2020; Brisbane, Australia: Leading Australian technology services and solutions provider, Data#3, today announced that regrettably, it will no longer proceed with the scheduled JuicelT March events.

Data#3 has been closely monitoring the situation surrounding COVID-19 (coronavirus). The health and safety of its customers, partners, staff and the wider community is a key priority for the company and out of an abundance of caution, it will no longer be proceeding with the JuicelT March events.

Data#3 Chief Executive Officer and Managing Director, Laurence Baynham, commented, “This was a very difficult decision. JuicelT is an incredibly important platform for us to connect our valued customers with our partners and the wider Data#3 team of experts.”

“Our number one priority is ensuring the safety of our customers, partners, employees and the wider community. We believe this is the right decision given the current circumstances,” concluded Baynham.

Data#3 remains committed to running future JuicelT events, however, at this stage, it is unable to provide guidance on dates.
