

# CISCO WEBEX: FINDING THE RIGHT FIT FOR YOUR ORGANISATION

Cisco Webex offers a suite of market-leading products to help teams work together effortlessly, regardless of location. When it comes to selecting the appropriate platform for your enterprise, it's all about functionality. To help you decide, we've compared the key features of Cisco Webex Teams and Cisco Webex Meetings.

## CISCO WEBEX TEAMS

An all-in-one business messaging and collaboration app, conferencing solution and phone system with tools to deliver a continuous work stream before, during and after meetings.

## CISCO WEBEX MEETINGS

A video conferencing service offering highly secure audio, video, and content sharing with built-in artificial intelligence to automate meeting tasks.
