Data#3 Receives Employer of Choice Award for Sixth Year in a Row

April 30, 2021; Brisbane, Australia: Leading Australian technology services and solutions provider, Data#3, today announced that it was named as a 2021 Employer of Choice by the Human Resources Director (HRD) Magazine.

Entries were scored on the achievements and initiatives across a range of areas, including leadership, learning and development, wellbeing, flexibility, diversity and inclusion, work-life balance and recruitment. These areas represent the core facets of HR, as well as the new challenges facing employers as a result of the global pandemic.

This is the sixth year in succession that Data#3 was named an Employer of Choice, which is a testament to the company's ongoing strength and success across each category.

Data#3 Group Manager of Organisational Development and Human Resources, Tash Macknish, commented, "What a fantastic achievement to secure the Employer of Choice Award for the sixth year running. Our people are at the heart of everything we do and our aim is to deliver exceptional employee experiences. The pandemic brought with it a number of challenges, however due to our constantly evolving approach, we were able to quickly and effectively adapt and change. With this in mind, I'm so proud of this accomplishment."

Data#3 Chief Executive Officer and Managing Director, Laurence Baynham, said, "To be listed as one of Australia's best places to work is tremendous. This award reflects the continued investment that we place in our people, which is why we attract, develop and retain the best talent. Congratulations to the team on the ongoing success."
