## Social Media

You are encouraged to share / re-post what is posted to the Data#3 account.

Feel free to share your own positive experiences about sessions & the event.

**#D3JuiceIT**

Do not respond to anything negative. Marcomms team will be monitoring and will take this off-line.

## Event Photography

Please note that there is a dedicated event photographer who will be onsite at the event.

They will be taking photographs of the main trade area, sponsor booths, delegates, sessions and other event related items.

These images may be used in the public promotion of future JuiceIT events.

# Attendee Passes

All attendees must be registered and wearing a name badge on site, this is for safety reasons. Without a name badge, entry to the event will be denied.

- Sponsor Badges will be preprinted and left on booth.

# Presentations

Sessions run for 40 minutes (Platinum) or 30 minutes (Gold and Silver) in length, with the presentation recommended to allow for question time.

- Data#3 Staff to provide a Top and Tail, and facilitate Q&A. This person is being organised by Data#3.
- Rooms will have a laptop (Windows based), lectern, fold-back screens (current slide, presenter notes and countdown), microphone and sound system as part of the set-up. Should a presenter wish to utilise their own laptop (such as a MAC), it is the presenter's responsibility to ensure the appropriate connections accompany the device.
- All presentations need to be sent to Cassie at Data#3 at least 3 days prior along with a PDF version you would like shared with delegates after the event.
- It is recommended that each presenter bring their presentation on a USB on the day prior to the event if there has been any changes. While Data#3 will hold all presentations provided, if any last minute changes are made to presentations, these will need to be managed from an external source such as a USB or hard drive.
- A speaker presenter room is available.

## Overview

**Simplify. Connect.  
Protect.**

Data#3 and our world leading vendor partners will be hosting Australia's largest free IT Solutions & Services conference in Adelaide, Brisbane, Perth, Fiji, and Sydney in March and May 2025.

At JuiceIT, we're not just talking about technology; we're talking about real solutions for real people. It's about building meaningful connections – whether that's within your team, with your customers, or across your entire business and technology ecosystem – and, of course, it's about protecting what matters most in an increasingly complex world.

JuiceIT is designed to help technology leaders cut through the noise and find practical ways to streamline and simplify your current environment for future advancements – helping you stay competitive and achieve your business objectives while securing complex environments. Leveraging what you have and enhancing it to progress on your technology journey is crucial.

At JuiceIT, you'll have the opportunity to engage with experts from Data#3 and our world-leading technology partners. Together, we'll help you balance progress with risk, while ensuring, no matter where you are on your technology journey, AI becomes an integral part of your success story.
